Ref. No. ECL/NIM/AGT/MGR/2026/102

Date: 08/08/26

TO WHOM IT MAY CONCERN

As per the inspection carried out by the Committee comprising the Safety Officer and the Manager (P), Nimcha (R) Colliery, it is hereby certified that DAV Public School, Nimcha (R) Colliery has adopted and maintained the necessary fire and safety measures in the school premises in a satisfactory manner.

It is further certified that the school is equipped with Fire Hydrant System, Fire Extinguishers, and other essential fire safety arrangements, which were found to be available and functional at the time of inspection. The overall fire safety provisions in the school are considered satisfactory.

However, the school authority shall ensure the periodic refilling and maintenance of fire extinguishers, regular inspection and upkeep of the Fire Hydrant System, and timely renewal/maintenance of all other fire safety equipment and arrangements, as required under the applicable safety norms.

This certificate is issued on the basis of the inspection conducted by the Committee.
